Torture also remains a pressing issue across the region, with widespread impunity for perpetrators. Of his fifteen extant works three concern real murder cases.

UnserGesamtbestandanGoldist:kg. Stomach upset. Victoria Scarlett. Miscellanies He was content with a poem so long as it was good in the main, without minding those smaller beauties which go to make up perfection - content with a letter that told of health and goodwill, with very little other news - and content with a friend who had the average virtues and accomplishments of men, without being the faultless monster which the world never saw, but so many are half their lives looking.
