## **Hoop Dreams 5: In The Zone**

He went to Italy - Upon his return he lived in Paris, where he was in touch with mathematicians and natural philosophers in the circle of his long-time friend and correspondent Marin Mersenne - While in Paris, he worked on some mathematical problems and derived the sine law of refraction, which facilitated his work on formulating mathematically the shapes of lenses later published in the Dioptrics.

## **The Millionaires Secret Wish (Harlequin Desire)**

But his major achievements in the martial arts - the founding of the Chikara kenpo system and captaining the NSW National All Styles martial arts competition circuit, as he does today - came only after many years of hard training in various styles, during which he also built successful careers in the Australian army and NSW police force. A lifelong resident of Hohenwald, Tenn.
