The Irish are commanded to show deference to their betters, whether Dean Swift or Danish conquerors, either by hat-removing or arse-kissing. This I learned without any pressure of punishment to urge me on, for my heart urged me to give birth to its conceptions which I could only do by learning words not of those who taught, but of those who talked with me; in whose ears also I gave birth to the thoughts, whatever I conceived. What a report.

Pru, a little self-centred, and unprepared for the realities of married life. Item Location see all. Permission will always be requested from a user prior to posting, all information published can be
