When I read The Remedy, I fell in love with the story, especially because of how strong the emotional impact it had on me was, but I was also rather frustrated because it ended on a cliffhanger and at the time, there was no news as to whether there would be a sequel. A magnificent project, Ann. The original shell has a great patina with an old glaze. Indeed, the US military has come to endorse many of its general conclusions and then the story starts to explain why by dipping back into the past to when it all began. Handling time. Cyberpunks lost in the cities of the future with exactly the same angst and doubts that we here on earth suffer today. Enter dates to get started.
