One of the most enjoyable, clever, and entertaining new series to come along in years, this sequel to The Take gives readers what they desire most: a hero we can root for, locales we wish were in, and a plot that never lets up. Jan 13, Ambra rated it it was amazing. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Award Winner. You really hit the nail on the head.
