Please verify that you are not a robot. In one scene we are introduced to the character named Broussard, then we are introduced to his brother who is also referred to as Broussard and when we are finally given their first names, the POV has already switched between them so many times that it was impossibl I thought the premise of King's X was great. As the series proceeds Anita is, against her will, forced to become accustomed to dealing with vampires and lycanthropes as more than enemies and getting to know them as persons, and eventually has to bend her attitudes.
