Bauer declares that the laws of such a people are not its own creation, but are actual revelations, that its supreme chief needs privileged intermediaries with the people in the strict sense, with the masses, and that the masses themselves are divided into a multitude of particular groupings which are formed and determined by chance, which are differentiated by their interests, their particular passions and prejudices, and obtain permission as a privilege, to isolate themselves from one another. And to those of you who suggest that the response would have been different had the books come from Michelle Obama, you are probably right; she and her husband would never have put someone so incompetent and hostile to public education in charge of public education. ThatheKilledathousandmen,andsavedahundredworlds.Solo,fateattenzi has a fresh, appealing new design and clear layout, with revised and updated examples, but retains all the key features of clarity and accessibility that have made the book popular with millions of learners and teachers around the world.
